

**Submittee:** Kalle Karu

**Date Submitted:** 2013-04-24 10:58

**Title:** Bellingham Algebraic Geometry Seminar

**Event Type:** Conference-Workshop

---

**Location:**

Western Washington University, Bellingham WA, USA

---

**Dates:**

April 6, 2013

---

**Topic:**

Algebraic Geometry

---

**Methodology:**

Three lectures

---

**Objectives Achieved:**

Some very interesting talks were given

---

**Scientific Highlights:**

The following topics were discussed: Dynamics of algebraic mappings, Bivariant cobordism theory, Ring theory

---

**Organizers:**

Carrell, Jim, Mathematics, UBC // Karu, Kalle, Mathematics, UBC // Kovacs, Sandor, Mathematics, University of Washington // Lieblich, Max, Mathematics, University of Washington

---

**Speakers:**

Amnon Neeman, Mathematics, Australian National University // Yuri Burda, Mathematics, UBC // Jose Gonzalez, Mathematics, UBC

---
