

CAMS-PIMS MINI-SCHOOL AND SYMPOSIUM ON OPTIMAL TRANSPORT AND APPLICATIONS

American University of Beirut

Nov 6 - 10, 2023

Minicourses provided by:

**BRENDAN
PASS**
U. ALBERTA

**QUENTIN
MERIGOT**
U. ORSAY

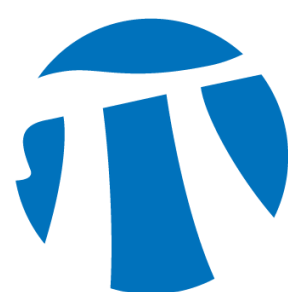

**WALTER
SCHACHER-
MAYER**
U. VIENNA

**YANN
BRENIER,**
CNRS

The goal of this mini-school is to introduce graduate and senior undergraduate students to the basic theory, but also to many of its applications and to recent breakthroughs. The symposium will provide an environment that will facilitate interactions between experts, identify new challenges, and help jumpstart collaborative work.
