

Submittee: Jason Morrison

Date Submitted: 2010-10-25 13:00

Title: Canadian Conference on Computational Geometry 2010

Event Type: Conference-Workshop

Location:

University of Manitoba

Dates:

August 9-11, 2010

Topic:

Theoretical and applied results in discrete and computational geometry.

Organizers:

Cameron, Helen, Computer Science, University of Manitoba // Durocher, Stephane, Computer Science, University of Manitoba // Keil, Mark, Computer Science, University of Saskatchewan // Mantler, Andrea, Computer Science, University of Manitoba // Morrison, Jason, Biosystems Engineering, University of Manitoba

Speakers:
