

**Submittee:** Thomas Creutzig Creutzig  
**Date Submitted:** 2015-08-27 10:07  
**Title:** The Mathematics of Conformal Field Theory  
**Event Type:** Conference-Workshop

---

**Location:**  
Mathematical Sciences Institute, The Australian National University

---

**Dates:**  
13--17 July 2015

---

**Topic:**  
conformal field theory and vertex operator algebra

---

**Methodology:**  
Lectures

---

**Organizers:**  
Prof. Peter Bouwknegt, Australian National University (AustMS member)  
Dr. Thomas Creutzig, University of Alberta  
Prof. Charles Doran, University of Alberta  
Dr. David Ridout, Australian National University (AustMS member) - Chair -  
Dr. Simon Wood, Australian National University (AustMS member)

---

**Speakers:**  
Professor Matthias Gaberdiel (ETH Zurich)  
Professor Terry Gannon (University of Alberta)  
Professor Geoffrey Mason (University of California, Santa Cruz)  
Professor Paul Pearce (University of Melbourne)  
Professor Ingo Runkel (University of Hamburg)  
Professor Hubert Saleur (CEA Saclay / University of Southern California)  
Professor Alexei Semikhatov (Lebedev Physical Institute)
