RICHARD GUY DAY

SEPTEMBER 30, 2016

In celebration of Richard Guy's 100th birthday, the Universities of Alberta, Calgary and Lethbridge have named September 30th, 2016, Richard Guy Day and will be hosting and showcasing a number of activities in Guy's honour.

Guy continues to be active in research and gives frequent invited talks. He has written numerous books and published many papers. He has been an inspiration for everyone in mathematical community.

Please visit the link below to view the schedule of events or to submit information on an event you are organizing.

We encourage everyone to participate in the celebration of this inspirational mathematician!
