

CALL FOR PAPERS

Call for papers for the book

Computational and Analytical Mathematics

to be part of the Springer series *Springer Proceedings in Mathematics*.

For further information regarding this high-quality Springer series, see

<http://www.springer.com/series/8806>

This book is associated with the May 2011 workshop on Computational and Analytical Mathematics in honour of Jonathan Borwein's 60th Birthday. For more information on this conference and on Jonathan Borwein, see

<http://conferences.irmacs.sfu.ca/jonfest2011/>

The research of Jonathan Borwein has had profound impact on Optimization, Functional Analysis, Operations Research, Mathematical Programming, Number Theory and Experimental Mathematics. This volume will grow out of the workshop, and it will contain various state-of-the-art research manuscripts and surveys.

Deadline for submission of full papers:

Monday, August 1, 2011.

Email the paper in pdf format to the organizing editor, Heinz Bauschke. All submissions will be refereed according to the usual standards. On acceptance of your paper, you will be required to submit the paper in LaTeX format.

With best wishes from the Editors:

David Bailey (dhbailey@lbl.gov)
Heinz Bauschke (heinz.bauschke@ubc.ca)
Peter Borwein (pborwein@sfu.ca)
Frank Garvan (fgarvan@ufl.edu)
Michel Théra (michel.thera@unilim.fr)
Jon Vanderwerff (jvanderw@lasierra.edu)
