---

**Location:**

1741 56 Street Tsawwassen, BC

---

**Dates:**

September 11, 2008

---

**Topic:**

Math Mania Event

---

**Methodology:**

Math Mania presents a variety of interactive demonstrations, games and art such as soap bubbles, 'get your goat' (Monty Hall game), the penny game, the Set Game, the 'Game of 24', kaleidoscopes and hexaflexagons, Nim, Tower of Hanoi, the amazing sorting network and a number of other mathematical puzzles and paradoxes. These activities are designed to demonstrate to children - and their parents - fun ways of learning both math and computer science concepts.

---

**Objectives Achieved:**

For students to learn that mathematics is challenging, interesting and lots of fun.

---

**Organizers:**

We were invited by Natasa Sirotic, math head at Southpointe Academy.

---

**Speakers:**

Melania Alvarez: PIMS BC Education Coordinator Teachers at the school and UBC students helped with the event as well.
