

### **PIMS Multimedia Permission Form**

#### **Video**

PIMS requests your permission to videotape your lecture for inclusion on [mathtube.org](http://mathtube.org). This website is maintained by PIMS and is an online resource for math enthusiasts.

#### **Slides**

If applicable, PIMS requests an electronic copy of the slides you use in your lecture (e.g. PDF, Powerpoint). These slides will be available to accompany the video of your lecture on [mathtube.org](http://mathtube.org). Please email slides to [mathtube@pims.math.ca](mailto:mathtube@pims.math.ca) within a month after your lecture.

#### **Notes**

If applicable, PIMS would like an electronic copy of any lecture notes you have. (PDF preferred) These notes will be available to accompany your video on [mathtube.org](http://mathtube.org). Please email notes to [mathtube@pims.math.ca](mailto:mathtube@pims.math.ca) within a month after your lecture.

All due credit will be given to speakers, see [www.mathtube.org](http://www.mathtube.org) for more information and 'take down' policies.

#### **Please keep a copy of this for your records and send the original to:**
