Title: Numerical methods for incompressible flow

Event Type: Conference-Workshop

Location:

University of British Columbia

Dates:

July 14-16, 2011

Topic:

Numerical methods for incompressible flow

Methodology:

Lectures

Objectives Achieved:

See attached file.

Scientific Highlights:

See attached file

Organizers:

Minev, Peter, Mathematical and Statistical Sciences, University of Alberta Schoetzau, Dominik, Department of Mathematics, University of British Columbia
