

JUNIOR HIGH & HIGH SCHOOL STUDENTS
FUN WITH MATH

COME TO
PLAY.

COME TO
COMPETE.

Just come for the sake of fun, or for more serious competition!

If you have a love of math, enjoy fun and informal competitions, please join us every **Friday, from 4:00 to 5:30 p.m. in University Hall, room D631, beginning Friday, September 27th** and running until **Friday, December 6th**.

Something to Think About

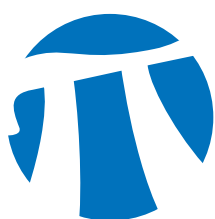

Check out the websites for the **Canadian Mathematics Olympiad**, a prestigious event held annually for high school students, www.cms.math.ca/competitions/CMO/. There is also the **Canadian Open Math Challenge** held yearly, same website. The **International Mathematical Olympiad** is the world championship mathematics competition for high school students and is held annually in a different country, www.imo-official.org/.

Some of the best mathematicians in Canada are in the U of L Math department and have been involved in the Olympiad for years, so come and gain valuable experience learning from these great minds!
