Submittee: Stephen Choi
Date Submitted: 2014-07-03 12:40
Title: Pacific Northwest Number Theory Conference
Event Type: Conference-Workshop

Location:
IRMACS Simon Fraser University Burnaby B.C.

Dates:
May 17-18, 2014

Topic:
Number Theory

Methodology:
Lectures

Organizers:
Borwein, Peter, Mathematics, Simon Fraser University // Choi, Stephen, Mathematics, Simon Fraser University //

Speakers:
(Titles of talks and abstracts will be uploaded as pdf file separately) // Shabnam Akhtari, Mathematics, University of Oregon // Kyle Bradford, Mathematics, University of Nevada, Reno // Michael Coons, Mathematics, University of Newcastle, Australia // Jonas Jankauskas, Mathematics, University of Waterloo // Minhyong Kim, Mathematics, University of Oxford // Rachel Pries, Mathematics, Colorado State University // Chris Sinclair, Mathematics, University of Oregon) // Colin Weir, Mathematics, Simon Fraser University) // Soroosh Yazdani, Mathematics, University of Lethbridge // Jeffrey Vaaler, Mathematics, University of Texas at Austin //
