

M.C. Escher's Math Side

The 18th annual Richard and Louise Guy
Lecture Series

The Faculty of Science is pleased to welcome Dr. Doris Schattschneider as this year's Richard and Louise Guy Lecture Series speaker. Combining her interests in mathematics and art, Dr. Schattschneider will discuss mathematical concepts in M.C. Escher's graphic works. We hope you can join us for this year's event.

Thursday, October 5, 2023 | 5:00 p.m. MT

**Location: In person in the MacEwan Ballroom and
online via Zoom**
