

**Submittee:** Jonathan Jedwab

**Date Submitted:** 2011-08-09 21:22

**Title:** SFU Computational Mathematics Day 2011

**Event Type:** Conference-Workshop

---

**Location:**

IRMACS Centre, SFU

---

**Dates:**

9 August, 2011

---

**Topic:**

Pure and applied mathematics research with a strong computational component

---

**Methodology:**

5 invited speakers; poster session with emphasis on undergraduate and graduate students

---

**Objectives Achieved:**

Highlighting the computational expertise of the SFU Department of Mathematics and other local invited speakers. Informing students, and researchers, of major research themes and trends in disciplines they are not expert in.

---

**Organizers:**

Jedwab, Jonathan, Mathematics, SFU; Wittenberg, Ralf, Mathematics, SFU.

---

**Speakers:**

See uploaded file "speakers.pdf"
