

**Travel Directions:**

Feel free to search and plan your public transport rides by visiting <http://www.translink.ca/>, where directions, ticket costs and bus schedules are indicated.

*Airport to UBC:*

Easiest by taxi (25min, around \$30). By public transport, take the Canada Line (rail) to Broadway-City Hall station. From Broadway-City Hall station, cross Broadway and Cambie streets to get to the #99 UBC bus stop in front of London Drugs. Tickets (valid for the whole journey to UBC) can be purchased from the machine in the airport station. Cost: approximately \$6. Journey time: Circa more than 1 hour.

*Airport to Park Inn:*

Easy and quickest: By public transport. Take the Canada Line (details above) to Broadway-City Hall station. Walk a few blocks west along Broadway to the Park Inn. Journey time: about 30 mins.

*Park Inn to UBC:*

Cross Broadway and locate the #99 westbound bus stop to UBC, between Laurel Street and Willow Street. Bus requires \$2.75 exact change or buy 10 "one-zone" tickets from Shoppers Drug Mart (opposite hotel) for \$21. Journey time: To UBC bus loop is 25-30min, bus is very frequent but also very busy.

*UBC Bus Loop to Earth Science Building (ESB) 2207 Main Mall:*

A quick 10min walk. See UBC map. Head west past the student union building, cross East Mall and get onto Main Mall. Turn left (South) on Main Mall and Earth Science Building will be on your right after a few minutes. It is a large new building, and is on Main Mall directly across from the Beatty Biodiversity Centre and prominent blue whale skeleton.
