Submittee: Jochen Kuttler
Date Submitted: 2009-07-22 12:04
Title: PIMS Undergraduate Algebra Summer School
Event Type: Summer-School

Location:
University of Alberta

Dates:
May 25 - June 3, 2009

Topic:
Three mini courses in algebra and related areas: Algebraic Geometry, Lie Theory, Number Theory

---

Methodology:
lectures and problem sessions

Organizers:
Cliff, Gerald, Dept. of Math. and Stat. Sci., U of A Kuttler, Jochen, Dept. of Math. and Stat. Sci., U of A

Speakers:
Benkart, Georgia, Dept. of Mathematics, U of Wisconsin: Lie Theory. Buckingham, Paul, Dept. of Math. and Stat. Sci., U of A: Number Theory. Chernousov, Vladimir, Dept. of Math. and Stat. Sci., U of A: Lie Theory. Doran, Charles, Dept. of Math. and Stat. Sci., U of A, Algebraic Geometry and Number Theory. Gannon, Terry, Dept. of Math. and Stat. Sci., U of A: Number Theory. Guay, Nicolas, Dept. of Math. and Stat. Sci., U of A: Lie Theory. Kuttler, Jochen, Dept. of Math. and Stat. Sci., U of A: Algebraic Geometry. LalÃn, Matilde, Dept. of Math. and Stat. Sci., U of A: Number Theory. Lewis, James D., Dept. of Math. and Stat. Sci., U of A: Algebraic Geometry. McNeilly, David, Dept. of Math. and Stat. Sci., U of A: Number Theory.
