

# Two Weeks at WATERLOO

## A Summer School for Women in Math

August 12–25, 2012 at the University of Waterloo

The Summer School for Women in Mathematics is a two-week residential mathematics enrichment program for senior female undergraduates.

The summer school is open to female undergraduates studying mathematics or a related discipline at a Canadian university. Preference will be given to those with at least one year of studies remaining in their program. Each participant will receive on campus room and board and an allowance for travel expenses from within Canada.

Application Deadline: January 31, 2012
