

Biography of Paul Gustafson

Paul Gustafson is a Professor in the Department of Statistics at the University of British Columbia. He obtained his Ph.D. in 1994 from Carnegie Mellon University. His research interests include Bayesian methodology, and biostatistical methods. A particular interest is the use of Bayesian thinking to encapsulate uncertainty in epidemiological studies of exposure-disease relationships. He was the 2008 recipient of the CRM-SSC Prize in Statistics. He is the current Editor of the Canadian Journal of Statistics.
